Parent Helpers Kingsgrove Public School

Dear Parent/Caregiver,

We appreciate the work that our wonderful parent volunteers perform at Kingsgrove Public School. Your efforts enhance our school significantly and have a positive impact on our students’ learning in many ways. Having said this it is necessary that you are aware that Department of Education and Communities regulations make the following necessary and we hope that you will continue to support the students of Kingsgrove Primary School.

During the course of the year we will be asking for volunteers in the classrooms and other associated activities held at the school. For you to be able to help the school in any way you will be required by the Department of Education and Communities to complete a Working with Children Check.

You can obtain the Working with Children Check through the NSW Roads and Maritime Services at www.newcheck.kids.nsw.gov.au and complete a volunteer online application. Then take your application number to a Motor Registry Office with your proof of identity. This check will be current for five years and has no cost to the applicant. The original approval must be sighted and copied at the school and will be held on file for five years.

If you are interested in being the Class Parent Helper or can volunteer your time for other school activities or an offer any other support to the school, please complete the slip below and return to your child’s teacher. Please return to school office.

Thank you for considering this valuable support in our school.

Kind Regards,

Ms Fermanis                                                                 Ms d’Astoli
Relieving Deputy Principal                                                   Principal
